Book by English Workshop Third Course

I expected it to be used, but I didn't expect most of the written exercise to be filled in. Can't use it at all.

All Good!

Pages were unmarked. Book was as expected and described. Gently used and exactly what I needed for school. Thank you!

The service in getting the book was great. I was surprised to find a few pages missing when I was using the book. Since it is a used book and it was only a few pages I am not surprised that this was overlooked. Gratefully this wasn't a huge problem.
