Customer Reviews

Cartographia, organized in 1954, is the largest map publishing company in Hungary. Its tourist, city, and road maps, and atlases, cover destinations throughout Europe and other parts of the world. The firm has also produced cartography for well-known map-publishing houses such as Falk, Ravenstein, Hallwag, Freytag Berndt u. Artaria.

Finding a map of the Democratic Republic of Congo in the States has been a search and a half. The last map I had I bought in Tanzania! I bought this map for my second trip to Congo this month and it was extremely helpful. Many of the people I met had never seen a map of their own country so using the map was also a teaching opportunity. The map is clear and very useful, at least it was to me. Hope this is helpful!
