Book

Great for public speaking class.

Great condition, just what I was looking for!!

Great book for my college course

Good book!

It didn't come with a code for Launchpad...

Needed this book for IVY TECH speech class. It did everything I needed it for. Very easy to read and I got an A in the class.

I review because the app keeps annoying me by showing the notice. Anyway, the book is good and helpful. Thank you

Great condition
