Customer Reviews

Recommend this series. Connected with characters right away. Read all of them in 2 days. Didn't want to put down.

This is a great collection at a great price. JS Scott write wonderful passionate stories. Kara is an average girl who has been struggling all her life. Alone in the world. She works a full time job while going to school full time. Unfortunately she's about to have the rug pulled out from under her feet. Luckily Simon swoops in to save the day. But he's not doing it just out of the goodness of his heart. No he also want Kara for himself. Unbeknownst to Kara Simon has been pseudo stocking her for a year. Not in a dangerous bad way but in a I can't get her out of my mind I need to make sure she's safe way. And so their story begins. Each needing each other each with a troubled lonely past. It was excited and emotional watching them work toward their HEA even though at one point you weren't sure if they'd get it. This a great series one I know you'll enjoy. Especially if you love passion steamy love and possessive alpha males.

Oh how I love Kara and Simon! These two got me hooked on JS Scott and now I just can't stop! I snatch up all of her new releases immediately (if not sooner!) and it's all because these two characters, and their story, were so wonderful. Simon is so wonderfully alpha male but in such a caring and sweet, but totally over the top, kind of way. I just love how he takes such good care of Kara. She is one lucky girl! I highly recommend this series. Afterwards, I guarantee you will be hooked on JS Scott's books!

This is the perfect combination of strong Alpha male and strong heroine. Simon has very deep emotional issues, fearing losing control especially in the bedroom. Kara is an overworked young woman with no family making her way through college. Simon is a billionaire but worked his way to the top and started off poor, which may be why wants so desperately to help Kara. However, Kara is

just the help Simon needs. She makes Simon face his fears and loves him unconditionally. Nothing is easy though and getting to a HEA is not going to happen by just falling in love.

Misunderstandings, thugs and even Simon's brother gets between these two trying to make it work. I highly recommend this book in the collection series. It is a full length novel this way and believe me you will want to read it all! This is a book I read over and over. I just love it!

Kara is a nursing student who waitresses at Simon's mother's restaurant. He has been watching her for over a year but when she almost faints outside his apartment, he rushes to the rescue. She stays the night and the next day finds out she's been evicted and is left with nothing. Simon offers to let her stay, finish school and his stipulation is she quits work and spend one night in his bed. Mine for Now This one picks up where the other left. Simon and Kara living together. But a misunderstanding has her moving out. Mine Forever Secrets are revealed. Hot, sexy guy finally opening his heart up. Plenty of sex. Mine Completely Kara is emotional and they argue over a prenuptial agreement. I love these two people. Simon is dominant and Kara is independent.

I thoroughly enjoyed Kara and Simon's story. This box set contained their entire journey and what a beautiful journey it was. Kara came from a life of struggles after her parents died and was trying to put herself through nursing school while working as a waitress. Simon came from a poor background until he and his brother worked hard to create a successful business and become billionaires. Simon became infatuated with Kara as she worked at his mother's restaurant but was always too afraid to approach her. He was fighting his own demons from his past that made him more dominant in the bedroom and he figured Kara wouldn't want anything to do with him. But circumstances brought them together and with the attraction between them they end up together. But can Kara get through to him and will they get their HEA? The author did a great job of telling their story. It was a very enjoyable read. Highly recommend

Teasing and possessive strong man with a big heart. Obsesses about a woman until he gets to her. Loved the determination in the characters and their willingness to swallow their pride. Passionate souls.

J.S.Scott doesn't it again with this very beautiful compilation of Simon and Kara...5 stars doesn't seem like enough. Simon Hudson has been tailing Kara Foster for a year and fighting his growing obsession..he wants to possess her..he just has an insatiable need for her.. and the day has come

she collapses and that's his chance. Kara Foster has worked with Simon's mom. Kara has been alone and struggling day by day..going to nursing school and waitressing. She can't believe this knight in shining armour. He takes her in supports her, it has been so long since someone has cared for her and she loves it. They inevitably fall in love, this complex couple have serious issues to work through but is well worth the read.What happens now is beautiful, and is a delight to be a part of..Ms. Scott weaves a very seductive and fantastic story..can't wait for Sam's story!
