Pilgrimage: My Journey To A Deeper Faith In The Land Where Jesus Walked

Synopsis

We all encounter times when our spirit feels dry, when doubt looms. The opportunity to tour Israel came at a good time. For months, my life has been a mindless plodding through necessary routine, as monotonous as an all-night shift on an assembly line. Life gets that way sometimes, when nothing specific is wrong but the world around us seems drained of color. Even my weekly worship experiences and daily quiet times with God have felt as dry and stale as last year's crackers. I'm ashamed to confess the malaise I've felt. I have been given so much. Shouldn't a Christian's life be an abundant one, as exciting as Christmas morning, as joyful as Easter Sunday? With gripping honesty, Lynn Austin pens her struggles with spiritual dryness in a season of loss and unwanted change. Tracing her travels throughout Israel, Austin seamlessly weaves events and insights from the Word . . . and in doing so finds a renewed passion for prayer and encouragement for her spirit, now full of life and hope.

Book Information

Paperback: 240 pages

Publisher: Bethany House Publishers (November 5, 2013)

We all encounter times when our spirit feels dry, when doubt looms. The opportunity to tour Israel came at a good time. For months, my life has been a mindless plodding through necessary routine, as monotonous as an all-night shift on an assembly line. Life gets that way sometimes, when nothing specific is wrong but the world around us seems drained of color. Even my weekly worship experiences and daily quiet times with God have felt as dry and stale as last year's crackers. I'm ashamed to confess the malaise I've felt. I have been given so much. Shouldn't a Christian's life be an abundant one, as exciting as Christmas morning, as joyful as Easter Sunday? With gripping

honesty, Lynn Austin pens her struggles with spiritual dryness in a season of loss and unwanted change. Tracing her travels throughout Israel, Austin seamlessly weaves events and insights from the Word . . . and in doing so finds a renewed passion for prayer and encouragement for her spirit, now full of life and hope."While Christian novelist Lynn Austin's tour of the Holy Land revives her own parched spiritual walk, the impressions she shares and the connections she makes while visiting the land where miracles happened are perceptive and illuminating....While readers will enjoy her comfortable, narrative style, the thoughts she shares, the questions she asks, and the conclusions she draws are both humbling and convicting. Recommend this book to those who may have or will travel to Israel, but also to those who seek to renew their Christian commitment and need a novel way to begin." CBA Retailers+Resources"At first, I thought the key selling point of this was that it was written by a well known Christian fiction writer, a lady who is beloved by many of our customers who read her stuff.Â She has sold more than a million copies of her books and is an eight-time Christy Award winner!Â So you know she is a thoughtful, talented, wholesome writer.Â As you can tell from the sub-title, here she encounters God in ways that deepen her faith and discipleship, kicks her out of her spiritual dry spell, and awakens new desires for God's Kingdom -- all by going on a Holy Land tour.Â This really is the real deal, and she tells of her journey (the literal one, and the metaphorical one) in this very, very nice book.Â There is gripping honesty and lovely, basic Bible reflections, created while 'on location' throughout Israel."

HeartsandMindsBooks.com"Austin, known for her wealth of fiction, has authored an outstanding piece of nonfiction. Relaying her pilgrimage to Israel offers four benefits for readers: First, the amount of biblical history she includes is extensive. Second, her vast Bible knowledge adds depth to her accounting of this trip. Third, her interpretation and comparison of the Old Testament and today's world and what that can mean for today's Christians makes this almost a devotional book. Finally, her transparency reveals her own spiritual needs and how this trip met many of them and changed her heart. Pilgrimage is appropriate for any church library collection and is valuable as a resource for a book discussion group, of interest to both men and women." --Church Libraries

Bestselling author Lynn Austin has sold more than one million copies of her books worldwide. She is an eight-time Christy Award winner for her historical novels, as well as a popular speaker at retreats and conventions. Lynn and her husband have raised three children and live near Chicago.

I was expecting something a bit different. I was put off somewhat by the "personal angst" that ran through the book. My husband and I went to Israel in 2014 and had an absolutely marvelous time,

learning about Israel and walking in the footsteps of Jesus, and it deepened our faith in a wonderful way. I was looking for something that would echo the excitement and thrill that we felt as we visited the same places she did, but all I felt I found in her book were "sad vibes" and a "woe is me" attitude. I usually love Lynn Austin's writing, because in the books I have read, she is so descriptive that I feel like I am walking beside the characters, so was excited to get this book, only to find it a major disappointment.

I have liked most of Lynn Austin's book but this is one of my very favorites. I was asking myself why this was so and I think it is because Lynn Austin shared so much of herself in this journey and made the reader experience Israel in a very real way. Her descriptions of the different areas are phenomenal, you almost feel as if you are there. For those of us who are not able to make a trip over there, this book will give you a glimpse of what it was like during biblical times, where Jesus walked and more than anything, increase your faith in a loving, omniscient, omnipresent God who is still in control and has been all along. Thank you, Lynn Austin, for being so willing to share your faith, to share your struggles but also to share God's great love and faithfulness, even when we go through dry periods. This book was lovely and very encouraging, I would highly recommend this wonderful account of a pilgrimage by Lynn Austin.

This book brought the entire resurrection event to life in a vital portrayal of the physical place where Jesus lived and was crucified. The pictures painted by Lynn are incredible, and will give the reader a physical 'look' into one of the greatest moments in History and the foundation of the church..Thank you once again, Lynn.Blessings, Ona O Miller

Great book. Very challenging in my own journey. I actually gave to a friend who is in a challenging was just now. Worth the read!!!

the author let me tour Israel with her as she walked and wrote..i felt like I was right there experiencing the same thing she was..ABSOLUTELY AWESOME...HIGHLY RECOMMEND THIS TO EVERYONE WHO WANTS TO experience how this author made you feel like you were right there with her...not many authors can do that..SHE CAN...LOVED IT!!

Having completed my first pilgrimage in November, and preparing to take a group back in February - I was interested to read someone else's reflections on the journey.I was not disappointed. Lynn

beautifully, and honestly writes of her reactions, struggles and reflections in this place where God's Story was birthed to life. She weaves scripture with history so seamlessly - and in ways that I had not heard while on the guided pilgrimage of my own. Her prayers were those of my own heart (just such better language than I can compose). Even the sites I was the most ambivalent about have a much deeper significance for me. Truly this was an inspired work. If you have been, are going, or dream of going to Israel to walk in the land where the Scriptures were breathed into being - I cannot recommend this enough.

First of Lynn Austin books I've read. It is her story to renew her talent. Worth reading and going on the trip with her.

Lynn Austin's book about the Holy Land is like a travelogue, a Biblical historical account and a devotional book all in one. Lynn gives us many examples of her struggles that help us deal with our own struggles. I highly recommend this book. The book is loaded with scripture verses. It will strengthen your walk with the Lord. You will also want to go and see the Holy Land, but if you are not able to, this book will help you understand the Bible and the events in it more clearly. You will also see how important the men and women of faith in the Bible and their examples are to help us be faithful every day of our lives.
