Paul Karr has written, co-authored, or edited more than 25 guidebooks, including Wiley's Vancouver and Victoria For Dummies and Frommer's Vermont, New Hampshire & Maine. He has also contributed to Discovery Channel/Insight Guides to Montreal, Atlanta, Vienna, Austria, and Switzerland; Wiley Publishing's Irreverent Guides to Rome and Vancouver; and Scandinavia: The Rough Guide while writing articles for Sierra and Sports Illustrated, among other publications. He divides his time between New England, both coasts of Canada, and Europe.

Very nice photography and TONS of pictures but the book is very small. I expected a typical picture book - you know, coffee table size - but it was more like post card size. Nice though... like I said, the photography is lovely.

FROMMER'S MAINE COAST is a great book about the coastal region of Maine, filled with some interesting healthy diet and activity ideas. However, if you want a full picture, you also need to get THE INSIDER'S GUIDE TO PORTLAND, MAINE (due out May 1st), FODOR'S MAINE COAST, 1ST EDITION, and THE INSIDER'S GUIDE TO THE MAINE COAST, 2ND EDITION (due out June 1st). Even taken by itself, though, this book is a must-own.

I found this help guide to be a little vague. I was mostly looking for in-depth information regarding Bar Harbor and Acadia National Park - one of our country's best-kept secrets that is absolutely breathtaking! The book did not go into great detail. It only gets a 1 in my book!
