Synopsis

Cleaning up the afterlife – one spirit at a time!; Ichigo and the Soul Reapers (Japanese Style). Cleaning up the afterlife – one spirit at a time! Ichigo Kurosaki never asked for the ability to see ghosts--he was born with the gift. When his family is attacked by a Hollow--a malevolent lost soul--Ichigo becomes a Soul Reaper, dedicating his life to protecting the innocent and helping the tortured spirits themselves find peace. Find out why Tite Kubo's Bleach has become an international manga smash-hit~! Howling After: Healing Ichigo's terrible wounds so that he can face the diabolic Grimmjow at full strength, Orihime must watch from the sidelines as the two battle. Orihime tries to convince herself that Ichigo will be all right, but she can't help but be worried about him. And when Grimmjow taunts Ichigo into releasing his Hollow self, her confidence in her friend begins to waver. Has their time in the realm of the Hollows changed them both too much?

Bleach is author Tite Kubo's second title. Kubo made his debut with *Zombie Powder*, a four-volume series for *Weekly Shonen Jump*. To date, Bleach has been translated into numerous languages and has also inspired an animated TV series that began airing in Japan in 2004. Beginning its serialization in 2001, Bleach is still a mainstay in the pages of *Weekly Shonen Jump*. In 2005, Bleach was awarded the prestigious Shogakukan Manga Award in the shonen (boys) category.

I love love love Bleach! This manga is amazing and well thought out. Tite Kubo does a great job telling the story and the illustration is out of this world! If you are all about the supernatural or even if you just like sword fights, then check this manga out!

This series is almost unequalled in its depth of characters, its storylines, and its length. A well written almost never ending tale of action adventure love betrayal death and almost everything human. Buy the manga, Buy the movies, Buy the dvd's. If you can find it on blu-ray pick it up and keep it forever. Its certainly worth it.

My son hates reading but has LOVED this complete series.

Bleach Vol 32 contains chapters 279 - 286 and also has a special chapter about Toshiro Hitsugaya that lightly touches upon the Bleach Movie 2: Diamond Dust Rebellion. But without giving much spoiler information this entire volume spans the entirety of the fight between Grimmjow and Ichigo. This is particularly interesting that this entire fight is contained wholly within one volume. I think that it is my favorite fight thus far and was glad that they were able to wholly contain it within. Some of the chapters, within have limited text but has detailed drawing to indicate easy to follow action. The action is fluid, the dialogue that is at times shared conveys the characters personalities and reveals their motives, and finally the sound effects are in places that do not interfere with the action and help to bring it to life more. This is one of the volumes that deserves to be picked up by fans and by people who are just looking to buy their favorite fight that was animated but in collectible paper format.

The way the author drew the fight between Ichigo and Grimmjow gave me sudden suspense and thrill! The fight is so detailed that it feels as if you're actually watching the fight instead of looking and reading the manga.

Excellent!

Bought it and loved it! It's also nice that Grimmjow is on the cover!

Love Bleach, great fights in this one.
