Tarot For Beginners: A Guide To Psychic Tarot Reading, Real Tarot Card Meanings, And Simple Tarot Spreads

Synopsis

Everything You Need to Know to Begin Working with the Tarot For centuries, Tarot cards have been used as a method of divination by those seeking answers and guidance on matters of love, wealth, home life and more. The cards have the power to offer hope, reassurance, and reflective support to readers as they meander through the ups and downs of life. In fact, the Tarot has often been credited with illuminating solutions to major dilemmas, and even helping people avoid future misfortunes! Of course, like anything in the Occult realm, the Tarot is surrounded by myths and misconceptions. Many people fear that they might discover bad news about their future fate and prefer to be “kept in the dark.” What they don’t realize is that nothing revealed by the cards is set in stone—the Tarot is a reflective tool rather than a predictive one. By seeking a reflection of your current situation, the past circumstances that have led up to it, and the possible actions you can take to change your course, you can actually break free of old patterns of worry, fear, and feeling “stuck” in life. If you’ve ever wanted a Tarot reading, or wondered what it takes to become a Tarot reader, *Tarot for Beginners* offers an informative first look into this long-trusted tradition. Best-selling author Lisa Chamberlain lets you in on the “secrets” of the art of Tarot. You’ll learn what you need to know about the history of the cards and the components of a standard deck, as well as the general meanings of each card, instructions for two common types of readings, and guidelines for approaching the reading process. You’ll also find tips for choosing your own deck and creating ideal conditions for powerful reading experiences. Most guides to the Tarot are centered on a specific deck, such as the Waite-Smith, the Tarot of Marseille, or other decks ranging from the well-known to the rather obscure. While many of these books are very useful, their card interpretations tend to be restricted to the particular deck they focus on. *Tarot for Beginners* takes a different approach, offering a broader perspective on the Tarot as a whole, with basic card descriptions that can be applied to any deck, and used in tandem with any descriptions that accompany the deck you’ve chosen to work with. So no matter which Tarot deck you use, the information in this guide is relevant, providing a solid starting point for a skill you can carry with you for a lifetime.

Foundations of Oracle Reading There is a myth that you need to have “psychic powers” to read Tarot cards, but all you really need is determination and a willingness to hone your natural intuition. Reading the Tarot is a talent you can develop by following instructions, listening to your inner voice, and making educated leaps of thought. Seasoned Tarot readers would say that it’s a natural habit—something that, over time, becomes second nature. You too can reach that level of experience and comfort with the Tarot, through

practice and patience. Tarot for Beginners will get you well on your way, with plenty of valuable information: The evolution of the Tarot, from 15th-century Italian playing cards to profound oracle A comprehensive overview of the deck, covering the roles of the Major, Minor, and Court Arcana Individual descriptions of each card Beginner tips and exercises for developing your Tarot reading skills A breakdown of the basic 3-card spread and the 11-card Celtic Cross, two of the most widely-used spreads in contemporary Tarot Tips for choosing your first deck and getting acquainted with your cards Suggestions for creating a conducive space for successful readings It takes time to become a fluid reader of the Tarot, but it's a fulfilling journey. Let Tarot for Beginners, along with your own intuition, be your trusted guide!

Customer Reviews

The layout is easy to understand, and I am able to find the interpretation I need as I practice reading the cards. I am just starting out reading tarot cards so I don't need/want anything too intricate or complicated. This is perfect.

Great reqd. Easy to understand.

love it

Great book for explaining tarot.

This seems like a good initial exposure to Tarot. Don't know how quickly I will retain the info.

This book was very helpful and simple enough to use as a constant resource. I highly recommend!

Great purchase for my introduction into tarot!

I love everything she writes. It's easy to read and understand. Highly recommend her series for anyone interested in Wicca.
