Customer Reviews

Bonnie L. Yegidis, Ph. D., MSW Bonnie Yegidis is Professor and Director of the School of Social Work at the University of South Florida, Tampa. She teaches in the research methods and social work practice sequences in the School, and has conducted research on family violence, cross-cultural issues in social work practice, and evidence based social work practice. Dr. Yegidis earned her MSW degree from West Virginia University and her Ph. D. in Curriculum and Instruction, with a concentration in Measurement and Evaluation, from the University of South Florida. She is the recipient of a number of awards and honors including Social Worker of the Year from the Georgia Chapter of the National Association of Social Workers, and the Distinguished Alum Award from West Virginia University.

Robert W. Weinbach, Ph.D., MSW Bob Weinbach is Distinguished Professor Emeritus at the University of South Carolina, where he continues to teach graduate level research courses in the College of Social Work. He is also the first author of Statistics for Social Workers, Eighth Edition; The Social Worker as Manager, Sixth Edition; and is the author of Evaluating Social Work Services and Programs (all published by Allyn & Bacon), as

well as over 75 other publications and invited book chapters. He earned graduate degrees in social work from SUNY-Buffalo and Ohio State University and has worked in both medical and psychiatric social work practice and as a program evaluator.

Laura L. Myers, Ph.D., M.S.W.

Laura Myers is an Associate Professor and BSW Program Director at Florida Agricultural and Mechanical University in Tallahassee, FL. Laura received a Bachelor of Arts in Religion and Philosophy and completed her coursework and Master's thesis in Computer Science and Statistics from the University of Southern Mississippi. After several years of computer consulting for accounting firms, she returned to school to complete her M.S.W. and Ph.D. in Social Work at the University of Georgia. Laura lives in Tallahassee with her husband, Dr. Bruce Thyer, and their four children, John, William, Joseph, and Cynthia. Laura is interested in research, scholarly writing, human diversity and social discrimination, eating disorders, and social work and spirituality.

For school, great book

To the point and simple, good for social workers that have not taken other research classes before. One of the best summaries of poor ethical designs in here detailing the Tuskegee experiment, Stanford Prison experiment, etc. Worth a read.

I thought it was kinda cool to have you text book on your computer. Unfortunately, I prefer the traditional book. I do like the fact that I can highlight throughout the e-book, but I just prefer the feel of the traditional book. This includes reading from electronic tablets.

Great book and easy to follow. Great for grad school or undergraduate work

This book was good, but a little tricky hear and there. It was alright just not one of my favorites.

This was required for a senior level class. Good thing the information was presented so well in the book - not so much in the classroom!

VERY GOOD

This book was the most "USED" of any book I have ever ordered. It was still well bound together so

I'm not complaining.
