Customer Reviews

nice map accurate and clear details

Adequate. Large for a "Fast Track" map. Would be better for tourists if it designated more points of interest. Was much more usable, however, than the cccmaps Ottawa/Gatineau map "book" I also purchased. Downtown detail views should have been larger w/ more detail. Print and lamination quality was good. Only Ottawa maps I found available online before traveling to Canada.

It was great to have this map in Ottawa over the summer -- a must-have when you don't have cell/GPS service! Will definitely buy more CCC maps in the future.

Top quality map that allows you to get that picture of the city. I love maps.

Difficult to read because of the small print.

Great detail. Really helped during our trip there.
