Wonderful purchase. Need this so my fianc e can pursue his future career! Bought this along with
the flashcards. Recommended!!

Bought this for the little brother who is going into the police academy. It's a thicker book, but comes
with a few practice tests. It also has a section that explains how the police for works, what certs you
need to have for which jobs and why.

The book is great for the prep work my daughter needs to do. However, the book arrived damaged.
The cover is creased and the first 213 pages are folded over.

I ordered for my grandson to take a test for the DNR academy. I rated it 5 stars because he said it
helped a lot.Cookie

Great book! A lot of obvious information that I personally didn't think of so it's good for them to point
