I buy a calender every year and while I do have one in my phone I like to keep a wall calender up in a place that I see it daily. I like how the colors are vibrant, the characters are lovable. The squares are big enough for me to write things in and thats a huge plus. I like to notice writing on a specific day and check to see what I had wrote to remind me of what needs to be done. Its just a fun good calendar that fits my needs.

Very cute calendar!! It has a full page dedicated to the remaining months of 2014 and the rest of the pages are individual months starting in January 2015. The images are in CG format. It is also a nice size, great for hanging on the wall. The top pictures can be framed or collected once the calendar is expired. :)

Overall a good calendar for kids that are into Super Mario characters. The size is pretty good and the pictures as you would expect, are cute. Main reason for giving it only 4 stars is the pricing, which I think is too expensive for something that is essentially printed paper...

Great calendar. The pictures are really colorful and vivid. I like how the pictures of the characters are nice and big. A must have for any gamer or nintendo enthusiasts. I got this for my boyfriend and he loves it.

Product arrived safe and sound, and as expected.

This calendar was a gift for my son. He love's it I get him one every Christmas. These are very cute colorful pictures. I will continue to get these yearly. Thank you!

I get sick of cat and dog calendars. I wanted a Mario calendar with luigi pictures. what I got was lots of luigi pictures and luigis on my birthday too. very pleased

Awesome Calendar. Really brings me back to the good old days. The dates are sometimes put up a little weird, but oh well.
