Grade Level: Preschool and up

Customer Reviews

PreSchool-Grade 3. A carefully translated version of the perennially popular 1964 Caldecott Medal winner. The playful and whimsical style of the original text is maintained from start to finish?from the night mischievous Max dons a wolf's suit to his landing in the place where the wild things roam, from his enthronement as King of these temperamental and pudgy beasts to his renunciation as leader for a steaming bowl of home cooking. Still an engaging fantasy after more than three decades, this extraordinary picture book strikes at the very essence of childhood urges for unlimited freedom without losing the security of home. A timeless beauty of a classic with the most imaginative of monster engravings. Perfect for reading aloud in this finely accomplished Spanish version.?Selene S. Vasquez, New York Public LibraryCopyright 1997 Reed Business Information, Inc.

In addition to Where the Wild Things Are, Maurice Sendak's books include Kenny's Window, Very Far Away, The Sign on Rosie's Door, Nutshell Library (consisting of Chicken Soup with Rice,

Alligators All Around, One Was Johnny, and Pierre), Higglety Pigglety Pop! or There Must Be More to Life, In the Night Kitchen, Outside Over There, We Are All in the Dumps with Jack and Guy, and Bumble-Ardy. He received the 1964 Caldecott Medal for *Where the Wild Things Are*; the 1970 Hans Christian Andersen Award for Illustration; the 1983 Laura Ingalls Wilder Award, given by the American Library Association in recognition of his entire body of work; and a 1996 National Medal of Arts in recognition of his contribution to the arts in America. In 2003, he received the first Astrid Lindgren Memorial Award, an international prize for children's literature established by the Swedish government. In addition to *Where the Wild Things Are*, Maurice Sendak's books include *Kenny's Window*, *Very Far Away*, *The Sign on Rosie's Door*, *Nutshell Library* (consisting of *Chicken Soup with Rice*, *Alligators All Around*, *One Was Johnny, and Pierre*), *Higglety Pigglety Pop! or There Must Be More to Life*, *In the Night Kitchen*, *Outside Over There*, *We Are All in the Dumps with Jack and Guy*, and *Bumble-Ardy*. He received the 1964 Caldecott Medal for *Where the Wild Things Are*; the 1970 Hans Christian Andersen Award for Illustration; the 1983 Laura Ingalls Wilder Award, given by the American Library Association in recognition of his entire body of work; and a 1996 National Medal of Arts in recognition of his contribution to the arts in America. In 2003, he received the first Astrid Lindgren Memorial Award, an international prize for children's literature established by the Swedish government.

I bought this book because, although I'm not completely fluent in Spanish (yet!), I wanted to expose my son to different languages. I love *Where the Wild Things Are*, so this seemed an obvious choice for us. The story is wonderful and imaginative. The illustrations are some of the best in children's literature. Some of the pages in the book have no narration. Only pictures. So it appeals to younger book enthusiasts who aren't quite old enough to read. One of the best additions to your home library you'll ever find!

Me encanto la calidad del libro, las ilustraciones son geniales.

I love the English version, and the illustrations are beautiful. The Spanish translation is horrendous. I would have returned it if my son wasn't so engaged by the illustrations.

Bought this for my roommate who is going to be teaching in a bilingual school next year and she loved it!

Me encanto el libro!

Childrens book "Where the wild things are" but in spanish. Translation has some liberty for example actual title is "Where the monsters Live" but very readable and fun childrens tale and imagination.

This is the first book I remember owning as a child, my mother bought it when I was in preschool. Now I've bought a copy both in Spanish and English for my son to learn and appreciate from an early age

For all of you who remember your childhood and would like to live it again, even if you have no children, I absolutely recommend this awesome book. The Spanish translation is very well executed, and the ilustrations are wonderful, especially if you are tired of the Disney-type books that prowl the market nowadays. Para aquellos que todavÃa recordamos nuestra niÃez y nos gustarÃa revivirla, aun si no tenemos hijos, recomiendo completamente este maravilloso libro. La traducciÃn al castellano estÃ muy bien lograda, y las ilustraciones son fantÃsticas, en particular si uno estÃ cansado de los libros estilo Disney que pululan en el mercado actual.
