Customer Reviews

Barbara Seagram is one of North America's top bridge teachers, and is a popular speaker on cruise ships and at bridge events throughout the world.
by Professor David Bird, PhD

Great reminder for defensive bids

for beginning - learning bridge players this "oldie-but-goodie" is a real helpful "cheat-sheet" for at the table playing. When I learned to play about 18 years ago this was a life-saver for playing bridge.

Good review for anyone interested in improving their bridge game.

Great little book. Great tips. Think the book version is better than Kindle because you can write in it and then loan it to your partner.

Barbara has a way of summarizing the key elements in bridge with fine examples and just the right amt. of words. A good thing to keep in your purse when first starting out in bridge.

Use this all the time - take it with me to the duplicate games for a quick review and such a handy

book with many examples and ways to try to help defeat the opponents.

Easy read. Very clear description of the hands and how to play!

I love this pocket guides series of books for Bridge - very instructional.
