The first fictional food recipe Cassandra Reeder made was Tree Star Cookies inspired by The Land Before Time at age six. Her geeky nature combined with her love of cooking led to the creation of geekychef.com. The goal of Geeky Chef is to help the geek community bring their food fantasies to reality. So if you've ever found yourself drooling over Pumpkin Pasties in Harry Potter, curious about Lembas Bread from Lord of the Rings or wondering if the cake is really a lie, this blog is for you.

Each dish is thoroughly researched to make the final product taste and/or look as close to the source material as possible. Of course, everyone will imagine differently, but Cassandra hopes to give dedicated geeks a run for their tastebuds. Cassandra currently lives in Portland with her fiancé and pet parrot. Despite what conclusions you may have come to, she is not actually a pirate. Well, she is mostly not actually a pirate.
