Detours - Bible Study Book: The Unpredictable Path To Your Destiny

Synopsis

Detours Bible Study Book includes suggestions for six small-group sessions, weekly individual-study experiences, applicable Scripture, "How to Use This Study," and tips for leading a group. The biblical account of Joseph clearly demonstrates that God is at work even when life seems to be going wrong. It depicts a young man who endured betrayal, abandonment, injustice, and confusion before understanding God's sovereign plan to redirect him from the pit to the palace. Even today it's easy to wonder why God would allow calamity to happen or if He's in control at all. Whether through uncontrollable circumstances or the pain of personal relationships, everyone has experienced unforeseen changes in life. This study helps believers navigate detours that may take you through trials, injustice, and even betrayal. You will be comforted and encouraged when you learn to rest in God's redemptive plan and the hope found in God's sovereign will.
