I have one major complaint for Christa Watson's book. I WANTED MORE PATTERNS AND MORE DESIGNS. I simply could not put the book down. After preordering the book in April, I have waited

all this tell for a book that I knew was going to be good but I had no idea it would be so delicious. I have followed Christa's blog for over 2 years. I knew her style and enthusiasm would be absolutely amazing. I am having a hard time deciding which pattern to make 1st. A BROKEN V quilt in Red white and blue would be stunning. Candy Pop made with dove gray and a rarer gray background with black and white circles ...hmm I fan 2ai5 to doFacets is 5h3 BombAnd Pearl Gray...is terrific. I am sold on.that oneÃfÂ)!.But my favorite thing about this book is Christa teach how without bring tedious.She gives you the facts..the how to do something that everyone can understand.Cannot wait to see the next book.

Just received my copy and it was well worth the wait! Pre-ordered in July. As usual Christa outdid herself with this amazing book! Filled with wonderful instructions for successful free motion quilting, beautiful quilt designs, etc. taking a sick day today ...just might have to do some "cold therapy" Ã Â Â^Â%. Thanks Christa once again for an amazing resource! Can't wait for the next one!

So far, my favorite quilt book...I love Christa Watson's patterns, and purchased this book so I could participate in her Facets QAL. Excellent quality book with lots of photos and easy to follow instructions.

Book offers up some easily accomplished machine quilting ideas for using your home machine. Well written and east to follow instructions.

Wonderful book by a wonderful quilter. Christa gives clear instructions and makes quilting on your home sewing machine seem very possible. The only thing I regret is getting the book on kindle and not hard copy. For an instruction book I would like the hard copy better.

Helpful information!

Great book, fun quilts and good clear photographs

Great book. Beautiful quilting. Really helped me as I move to more modern quilts
