Customer Reviews

I bought this based on the rave reviews but it's not for me. There are no pictures, no nutritional information (sodium content, etc.) and the recipes seem to rely heavily on canned and processed ingredients.

Wonderful book. I'm new to Dutch oven cookery and look forward to trying a lot of these recipes. Easy to understand and not a lot of fancy hard to find ingredients.

Great mix of recipes and a decent how-to on taking care of your Dutch oven. Loved the ideas in this book. It's not your beautiful glossy, coffee-table-esque cookbook, but rather a matte style, informative, yet chic valuable resource for Dutch oven first-timers.

Great recipes, but some more pics would have been nice

Perfect starter book for dutch oven cooking! Many recipes! Love the frittata recipe when I have company over!

This was a gift to go along with a dutch oven. As far as I know the recipient is happy with it.

This purchase was for a gift along with Tramontina dutch oven.

Easy, healthy recipes.
