This was another gift for my wife, Diane. The following review was dictated to me by her. This was a convenient size to keep in your purse or pocket for those times when you waiting at school, the doctors office, ball games for kids, etc.. Topics are current and varied - Pinterest, Glee, Ashton Kutcher, Sex in the City, True Blood, Musicals, Dr Seuss, Iron Man, The (idiot) Kardashians, Will &

Kate, reality TV - also some old standbys such as Colors, US Landmarks, shoes, board games, yardwork, etc..She rated this one a very high 8.75 to 9.25 out of 10 - highly recommended to keep your mind sharp and flexible.

Great holiday gift for my senior friends having memory challenges. (And just plain fun!)

Love these books!

Awesome collection of books, so many choices and very convenient size. Thanks for the availability.

My friends and I are hooked! One of the ladies has done 9 of them since Christmas. I got through one and am going to start on the second but do have school work as well

what you see online is not what the product is. And what you see in the paper is so different

Nice for travel
