Secret Lives Of The U.S. Presidents: What Your Teachers Never Told You About The Men Of The White House

Synopsis

Your high school history teachers never gave you a book like this one! *Secret Lives of the U.S. Presidents* features outrageous and uncensored profiles of the men in the White House - complete with hundreds of little-known, politically incorrect, and downright wacko facts. You'll discover that: George Washington spent a whopping 7% of his salary on booze John Quincy Adams loved to skinny-dip in the Potomac River Gerald Ford once worked as a *Cosmopolitan* magazine cover model Warren G. Harding gambled with White House china when he ran low on cash Jimmy Carter reported a UFO sighting in Georgia And Richard Nixon . . . sheesh, don't get us started on Nixon! With chapters on everyone from George Washington to Barack Obama, *Secret Lives of the U.S. Presidents* tackles all the tough questions that other history books are afraid to ask: How many of these guys were cheating on their wives? Are there really secret tunnels underneath the White House? And what was Nancy Reagan thinking when she appeared on *Diff'rent Strokes*? American history was never this much fun in school!

Book Information
