L.M. Montgomery (1874-1942) was a Canadian writer, born on Prince Edward Island. In 1908, she published *Anne of Green Gables*, her most successful work and the start of a series of novels. Montgomery went on to publish 20 novels, 530 short stories, 500 poems, and 30 essays. Many of her stories are set on Prince Edward Island. In 1935, Montgomery was made an Officer of the Order of the British Empire for her contributions to literature.

Anne of Green Gables is a delightful book! It is the story of a passionate, imaginative young orphan who is taken in by an elderly brother and sister. It is full of her foibles and missteps with youthful passion. It is a classic and a wonderful read!

The font is simply too small - reading it requires a magnifying glass. There are too many other nice editions of children's classics to purchase this one.
