The Other Side Of The Pastor's Bed

Synopsis

Pastor David S. Martin Sr runs one of the biggest churches in the state of Florida. With his wife Geneva and son David Jr. by his side, he is a force to be reckoned with. But the beautiful picture they paint only tells one story. When David Jr. gets a new teacher, twenty-one-year-old Morray Harper, the fuel is only added to the fire. The tare in the prayer cloth starts to unravel and the secrets start to spill out quicker than they cover them up. As the story unfolds, you'll see how someone ends up on the other side of the pastor's bed.

Customer Reviews

This would have been a really great story. However, there were just way too many errors. The story line was great but the editing sucked. Happy Reading, The Official Dcbookreviewer

I'm so mad it ended. Ain't nobody going to heaven! David Sr., Geneva, DJ, && even Morray....hell even me since I'm all into this! This book had me asking God for forgiveness for stuff THEY were

doing! That pastor && First Lady got they life all messed up. && David was just born into it. && Morray....well, she just allowed herself to be sucked into their mess. Baby girl you should have left that lil boy alone && kept your reputation protected. Smh. I may read this about 10 more times just waiting on the next book, but I'll be waiting patiently. The Bible says, patience is a virtue.

Oh oh oh my freaking goodness, this book was straight up crazy with all of the drama going on. The pastor is a mess but Morray deserves 'slut of the year' award. I could have easily given this book 4 stars or maybe even 5 stars because the storyline is awesome BUT the editing is HORRIBLE!!!!!!

Grab your Bibb because TEA is getting spilled all through this book!!!This book is a MUST READ!!!! I can't count how many times my mouth opened from unexpected surprises. Pastor David is on his way to hell with gasoline boxers on. First Lady got too many secrets, and Poor, poor DJ. The ending left me wanting more. Come on part 2....

AWESOME!! BUT, YOU LEFT ME HANGING, YOU COULD OF GIVEN ME SOME CLOSURE
• Part 2 should be at discount!!!

I loved this book I can't wait for part 2! I hope part 2 comes out soon! Kayla I think this has been the best book!

This is by far the best book from author Kayla Andre ! The book has so much drama but is also so beautifully written as well. I can not wait for part 2 to this book. It was definitely worth the read

There were a lot of grammatical errors. The story line was ok. Also the book could have been reduced to one book rather than two.
