Cute for a Cubs fan. I would recommend. Minor complaint: two pages have the black font against a really dark background. If you are like me and read by lamp, you will need to memorize these two pages immediately or make up your own words because you will not be able to read them in semi-darkness. Bad planning IMO for a bedtime book.

This is a cute book. It has enough pages for my 3 year old to be interested in it, and is at a reading level high enough to be a challenging for him to read with Dad. Also, it gave Dad more ammo to brainwash him into being a Red Sox fan. I'll have to find a Cleveland version to bring the kid back to the light.

This is a cute book, but the "Good morning, afternoon, etc" pages are of the same picture. It seems like they were just trying to fill a page quota. I hoped for more and the Goodnight America books are usually well done.

My nephew is a transplant from Boston to Texas and just welcomed his first son to the family. He is a big Red Sox fan and just loved this book! Such great memories to impart to the next generation!

Absolutely wonderful! Our 2 year old loves it!

My kid loves this book

My Brother is raising his daughter to be a Sox's fan, even though I am a Yankees fan, I bought this for my niece. I even thought this book was cute. In the book the Sox's are playing against the Yankees at Fenway. If you are raising your little one to be a sox's fan I would highly recommend this book along with Good Night Boston.

Our grandson, who turned 6 years old, loved this gift. It came at the perfect time of the year as he cheers on his favorite team.
