A Lesson in God's Love and Care People love to follow Jesus, listening to everything he says. But one day it gets late and the crowd is hungry. How can five little loaves of bread and two tiny fish feed so many people?

Crystal Bowman loves writing books for kids. Her books come in all shapes and sizes and many of them have become best sellers. Whether her stories are written in playful rhythm and rhyme, or short sentences for beginning readers, she tries to make them so enjoyable that kids will want to read them over and over again. "But the most important part," she says, "is to teach children that God loves them and cares about them very much." Valerie Sokolova was born in Lvov, Ukraine. Later she moved to Minsk, Belarus, where she graduated from Belarus State Institute of Theatre

and Art. She has illustrated over thirty children's books in Russia. Valerie has also published books in the United States, including King Arthur's Courage, The Golden Books Treasury of Christmas Joy, Thankful Together and Bella Basset Balerina. Valerie lives in Brooklyn, New York, with her husband Alex, daughter Nikkie and a friendly wild gecko in the basement.

This book does help to bring this wonderful miracle of Jesus to life for young children. The text is simple but is true to the basics of the Scripture. Although the illustrations are beautiful, there is something about the Jesus likeness that does not fit with my own mind's eye about how he probably looked. We know the Scripture describes his gentle spirit, but something is missing in the "strength" of HIS Spirit some how when I look at the pictures. So when using this book to teach about this miracle, I make sure I emphasize both to the children. I would recommend this book.

Jesus liked to keep his teachings simple so people could understand. This book is simple for my small children to receive the Word and learn about the Bible.

Perfect book for my 5 year old to read to me and she is learning so much in the process. She has several of these now and knows all of the stories by heart!

Good...used for church lesson on iPad.

Bible truths taught clearly and in an interesting way.

Illustrations and Christian based storyline very nice for young and beginning readers.

I read it to my Sunday school kids and they loved it!!!

This is my kids favorite bedtime story! I haven't downloaded all the books yet but I plan on doing so!
