I bought this book some years ago from .com and have really enjoyed using it....And I've looked and looked for it to order more copies...and now have finally have found it again! ... I believe that "Amazing Grace and Other Gospel Sounds..." is a GREAT collection of songs for beginning and intermediate harp players and for those who enjoy singing faith-based songs...In addition to harmonica tabs, it includes both the melody line and the lyrics. ... I've played harp for more than 50 years, am a retired teacher. Now am enjoying performing on harmonica with several bands and also teaching diatonic harmonica classes. Am thinking that this book would make a GREAT song book to use in a gospel-theme harmonica class.The previous review by Sylvia R. Watson of Camden, SC

saying how disappointed she was that "they canceled her order" doesn't tell you anything about the quality of the song book. My experience has been that If you place your order through .com, you will have a very good experience with those handling your order... The song book "Amazing Grace and Other Gospel Sounds..." really doesn't deserve a one-star rating...It is a MUCH BETTER book than that...Actually an excellent collection of faith-filled songs in my opinion... If you enjoy "making a joyful noise unto the Lord" on your harmonica, ... then I believe you would REALLY enjoy playing and singing from this book... And it's packaged in a very easy-to-use, user-friendly way... A great value for the money!

nice book, just a different format than I am used to

I ã Â Â'Â it!

They canceled my order after I had paid and then refused to ship to me because I made a inquiry as to why I received other items that I had ordered at the same time but didn't get theirs even though I had paid extra to get quick shipping

as a gift to my colleague, Weight of the product fees good in my hand and it's very nice looking. If your looking for value in a product this is it. very fast, receive it next day, tell a lot of the product . good quality with low price.
