Tanzania, Rwanda & Burundi Waterproof Map

Synopsis

Tanzania, Rwanda & Burundi 1:1,200,000 Travel Map, waterproof, GPS-compatible, REISE This map is waterproof and tear-resistant, highly suitable for tropical conditions, double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in) with topographic and tourist information. The country is divided into east and west sections with a generous overlap and coverage also includes Rwanda and Burundi. Topography is presented by altitude colouring with contours and spot height. Seasonal water features, swamps, salt lakes and mangroves are indicated. Road network includes unsurfaced local roads and seasonal tracks, and indicates driving distances on main and secondary roads and locations of petrol stations. Border crossings are clearly marked. Railways, local airfields and ferry routes, both coastal and on Lake Tanganyika, Lake Kivu and Lake Nyasa, are also shown and internal administrative boundaries are presented with names of the provinces. National parks and nature reserves are prominently marked. Symbols highlight various places of interest, including selected hotels, campsites and lodges, viewpoints, archaeological sites, rock paintings, wells and water tanks, medical facilities, beaches and diving sites, etc. The map has a latitude and longitude grid at intervals of at 1° 30', plus an extensive index of localities with a separate list of national parks and reserves. Multilingual legend includes English, the map is indexed. High quality German cartography. Also included is a street plan of central Dar Es Salam showing various tourist facilities and places of interest.
