Walking The Steps Of Cincinnati

Synopsis

Walking the Steps of Cincinnati: A Guide to the Queen City's Scenic and Historic Secrets is a revised and updated version of Mary Anna DuSablon's original guidebook, first published in 1998. This new edition describes and maps thirty-four walks of varying lengths and levels of difficulty around the neighborhoods of Cincinnati, following scenic or historic routes and taking in many of the city's more than four hundred sets of steps. Some of these walks follow the same routes laid out by DuSablon in the first edition of the guide; others have been revised to reflect changes in the city and its neighborhoods, the physical condition of the steps, and the scenic views of Cincinnati that they afford; and still others are altogether new. In writing their descriptions of the walks, authors Connie J. Harrell and John Cicmanec have retraced each path and taken all new photographs of the steps as well as architectural and natural landmarks along the way. Cartographer Brian Balsley has drawn a fresh set of maps, and Roxanne Qualls, vice-mayor of Cincinnati, has graciously written a new foreword.

Book Information

Paperback: 200 pages

Publisher: Ohio University Press; 2 Rev Upd edition (May 14, 2014)

Language: English

ISBN-10: 082142081X

Customer Reviews

Walking the Steps of Cincinnati: A Guide to the Queen City's Scenic and Historic Secrets is a wholly delightful book that first appeared in 1998 and returns in a revised edition as the weather invites taking full advantage of its subject matter. A labor of love by its original author, the late Mary Anna DuSablon, Connie J. Harrell and John Cicmanec bring the same warmth and pleasure to their updating of *Walking the Steps of Cincinnati* as did its original author.

Grade: A-; CityBeat

I have done many of these walks and have enjoyed learning about the city. I have also LOVED how great the directions are and have not got lost yet which says something for someone who gets lost all the time.

Great book on Cincinnati. Well written in details. Really enjoyed this book and at the same time as a reference in the future.

Update of the original book by Mary Anna Dusablon includes new maps and photos.

I learned a lot about different walks in the Cincinnati area.

Bought as a gift for a friend. She really enjoyed this book.
