This book was written for all the weekend hackers who are hopelessly addicted to chasing a little white ball all over God's green earth. These are just some of the best excuses that I have heard and used for terrible shots. --This text refers to an out of print or unavailable edition of this title.

This was a gift for a golfing friend. He had a good laugh and his birthday gift was a hit.

great laughs for my golfer friends

A great gag gift for the golfer on your list.

Interesting read - most of the excuses are what my golf buddies already use after a bad shot!! :)

Smaller than I expected. Not impressive but it does have the advertised info. A little disappointing for a gift.

A gift for my brother who is a golf crazy golfer. He loved this book.

as advertised - delivered quickly!

Bought for a Christmas gift. Very happy with my purchase. Arrived on time with no problems at all. Would order again.
