Not only did the purchase of the book, World Order of Baha'u'llah,, replace the one lost from my Baha'i library, but the bonus copy of Baha'i World Faith meant a great to me. It is out of print. The one I had before disappeared so I thought I was out of luck.Thanks again. They are both part of a surrounding study of the Baha'i Faith

Everyone should read this!!!

Amazing

Precious, precious words

Written by the great-grandson of Bahá'í, this book provides valuable insights into Bahá'í's global plan for world peace. Shoghi Effendi translated many of Bahá'í's works into English and provides a compelling commentary on the application of his teachings on peace in the modern world. I have read it twice. Shoghi Effendi's writing is exquisite but can be difficult reading for those unfamiliar with his style. I always have a dictionary at hand when reading his writings.

For those who are blest with the inner eyes of the spirit, this book is a must reading. It very powerfully and eloquently maps out God's Grand Plan for the regeneration and the salvation of all mankind. One cannot help but to feel the awesome power and majesty of God at work from the lowliest to the highest on earth. But it must be read slowly and meditatively, if it is to penetrate the heart of its readers.
