Maureen Egan is a freelance writer whose personal essays, travel-writing and features have appeared in The Christian Science Monitor, Virginia Living, Troika, Richmond Magazine, RHome, and other publications.

The last major guide to the hidden "gem" that is Richmond was published in 1999 (also by Globe Pequot). It was well done, but hopelessly outdated by 2010. Local travel writer Maureen Egan has outdone herself with this new edition which while long (300+ pages) is completely readable,

accurate, and packed with great recommendations. The restaurant, relocation, and festival chapters are worth the price of the book by themselves. Some of the details in those chapters prove that Egan has legitimately been to all of the places which she writes about. I also appreciate that the book includes a short but serious chapter on Richmond's history (not always found in travel guides!). All in all this is a great guide that is just as useful for longtime residents as it is for visitors and those relocating. Hats off to Egan for meeting so many diverse needs and bringing attention to a great city which deserves more of it!

Lots of good information. It would be helpful if the book had some maps.

Best book on Richmond. Very informative.

Very informative and gave me the information I needed to get around and explore Richmond. I would have liked more bar/food info but otherwise it was what I needed. It should be updated soon though. The edition I have is the 2010 one and that's the latest

Good guide. Nice suggestions when I'm looking for something to do.

I bought this along with a Richmond map. It is ok but not my favorite product.

Told me everything I needed to know. Very good guide book.

Very complete guide to Richmond. I was there many years ago but know that things have certainly changed. Lots of information for planning
