# Rhone Alpes, 2nd (Country & Regional Guides - Cadogan)

## Synopsis

From the spectacular mountain scenery of the Alps to the tranquil beauty of the Rhone Valley, Cadoganâ€™s guide brings the best out of your trip to this stunning part of France. Chapters on the history, art and architecture of the region provide a compelling framework to the breathtaking countryside. Travel into the Rhone Valley and explore the towns of Beaujolais, Lyon and Montelimar or discover the best places to ski and snowboard in the special winter sports section. Now fully redesigned, this new edition contains the most up-to-the-minute travel and practical information, discerning listings, stunning color photographs and useful maps.

## Customer Reviews

‘We tout these guides a lot, we must confess, but weâ€™re suckers for good, humorous writingâ€™  
‘Book Passage (US)â€™  
‘Easy on the eyes and in the hands, these guides boast a wealth of information in well-ordered pages; the texts are written with humor and display a definite, enticing personal touchâ€™ - Booklist (US)  
‘Cadogan are the pick of the bunchâ€™  
‘Daily Mail (UK)

The RhÃ´ne-Alpes, Franceâ€™s most spectacular region, rises dramatically between Burgundy and Provence, embracing stunning ranges from the ArdÃ¨che Gorges west of the RhÃ´ne to Europeâ€™s highest mountain, Mont Blanc, in the east. The region, named for the RhÃ´ne, the dramatic river that runs through it, also boasts the most romantic lakes in France, gorgeous hill

villages, stunning gorges and caves, over half a dozen national and regional parks as well as exhilarating sports and calming spa resorts. It offers an inexhaustible supply of castles, museums and vibrant, cultured cities, including Annecy, Grenoble and the capital, Lyon – birthplace of cinema and a World Heritage Site. Cadogan's authoritative new guide takes you through the amazingly varied territories of the region from eternally snow-capped peaks to a pre-Provençal paradise – along wine, olive, lavender and truffle routes – and advises on the best places to relax and enjoy the food and wine for which this part of France is so rightly famous. For winter sports visitors, there is also a fully comprehensive chapter on the ski resorts in the region.

This is an excellent guide to the Rhone Alpes region. It was one of my only purchases before embarking on a year living and working in a small town in the area, and it was well worth the investment. The book helped me to take advantage of living in such a rich region of the world, including attending the December light festival and museum visits in Lyon, hiking in Mont Pilat, skiing in the Alps, and finding just the perfect bargain hotel for my family when they visited. It greatly enriched my unforgettable year there, and I hope someday I can return to explore more.

We recently visited Annecy, and Lac Lemman. Annecy is a delight with beautiful old quarter. Stayed at Les Tresoms, which has a panoramic view. The book is informative but not the best guide. Have not seen a better one for this part of the country. Not too many English speakers there, but very friendly.
