Daily Language Review, Grade 8

Synopsis

Eighth grade students practice language skills covering punctuation, verb tense, conjunctions, word meaning, and more in ten- to fifteen-minute daily lessons. This new edition has been completely updated to support Common Core methodology and skill practice, and includes: Practice of the Conventions of Standard English and Vocabulary Acquisition and Use for grade 8, Using language in the context of writing and reading, Increased practice of academic and idiomatic vocabulary, and Exposure to sentences from all Common Core writing types (informational, narrative, and opinion/argument). 36 weeks of daily practice activities cover: Grammar and usage, Capitalization, punctuation, and spelling, Vocabulary word meaning and relationships, and Using acquired vocabulary.

Customer Reviews

The book itself is fine; however, I keep ordering this book according to the title and picture and then when it comes it says Common Core. I have ordered two of them so far and keep giving them away to students who are in state schools. I need a non common core book, the picture is very misleading.

This book provides a great daily review of grammar concepts. I homeschool and have found Evan-Moor a wonderful resource for practicing concepts. I would definitely recommend this resource.

Not a fan! It does not include a lesson - we have to look things up often. The answer key should

have the changes in a different color but instead all in black ink, you have to find all the mistakes yourself. Pro - quick

gooooood

This workbook has helped my daughter immensely! After graduating high school she could not pass the entrance exam at the college. I was so disappointed that I went back to her Jr, High school teacher and she suggested this. So far so good!.

It is a great warm up to English class and hits on many skills that the kids will see on state tests.

Some errors in the book

Some of the suggested answers in the back of the book are incorrect. I would be cautious when using this as a teaching tool.
