This guide is a nice size to tote around all day as a reference book as we decide what we might like to see next. Just enough info to make a good decision yet not too much info to make the book too heavy.

The print is TOO small. I am older and wear glasses but this was ridiculous. I ended up getting a cheap download on my iPad. The map was good if you plan in advance but there are better books. I am used to Rick Steves.

As always, DK delivers

The DK travel series is my favorite. A lot of information.

EXCELLENT

Great Product
