Text: English (translation) Original Language: Arabic

The opening verse identifies the work as 'that which hath descended from the realm of glory.....and revealed unto the Prophets of old.'.. A reference to the Founders of all the extent major religions. The foundation of which is the "Golden Rule" which if practiced would become the reason and cause of men NOT killing in the name of 'God' which is a word used to express the Transcendent Reality that connects all spirit and matter to One ineffable Source of all that is manifested in the cosmos. It is the Author of this book to which anyone can turn who is seeks a solution to the problems men create out of greed and lust for power; men who neither love or respect the Mother Earth from whose breast all creatures receive their sustenance.

This short but powerful book condenses the spiritual essence of all the major religions. The style is at once beautiful, poetic, and easy to read. "My first counsel is this: Possess a pure, kindly and radiant heart, that thine may be a sovereignty ancient, imperishable, and everlasting." This is the first of the Hidden Words from a total of 153. The book is characterized by its Author as, "This is that

which hath descended from the realm of glory, uttered by the tongue of power and might, and revealed unto the Prophets of old. We have taken the inner essence thereof and clothed it in the garment of brevity, as a token of grace unto the righteous, that they may stand faithful unto the Covenant of God, may fulfill in their lives His trust, and in the realm of spirit obtain the gem of divine virtue." This is an accurate description.

The Hidden Words is a must have book for all member of the Baha'i faith, or individuals who love eloquent short writings on life, unity, love, and the Faith.

Gift. She loves it.

Excellent condition, fine value.

Beautiful in its simplicity and fullness.

One of the special books for those of the Bahai faith. For me it was a great introduction to the basics.

Religious writings and world religions condensed
