Hatched In Secret:: An Inside Look At The Affordable Care Act

Synopsis

“HATCHED IN SECRET: An Inside Look at the Affordable Care Act” is the long-awaited, highly anticipated whistle-blowers journal written by federal contract employees of the Affordable Care Act program. An exclusive insider’s exposé of the deep-reaching government fraud and corruption breeding under the cover of the “Affordable Care Act”, and the high price paid by the American people, whom the creators felt could be easily exploited because they were “too stupid to understand it.”
