The photography is wonderful and this is really the first time that playline Barbies have been showcased like this. They included inspirational sayings which is something you don't see on the Instagram site. If you like Barbies, fashions and photography then this book is for you.

Fabric binding and quality photographs make this book a wonderfully produced collector's BARBIE piece. I am so glad I got the book. Thank you for offering it.

Quite a few of the fashions appear more than once, which I think is a faux pas for a fashion book. Disposable. Just visit the Instagram account instead.

So much fun and so topical! Love all of the ways Barbie is shown and all of the great places she travels!
