I didn't even imagine that there was something like this around. My father is in his 90's and always talks about wanting to hear the Mass in Latin again. This made him very happy and I also loved hearing these prayers from my past.

I bought this for a gift so I can't comment on the cd itself but the service and price were great!

I bought this out of curiosity knowing it would be beautiful music and missing the Latin mass as we used to hear it. Wow what a great album. I quickly sent one to my Uncle George for Christmas. I think if you remember the mass from before all these changes you will love this. If not you will love the sacred music. Just lovely. It used to be so nice to hear this kind of Mass, even if the pastor complained about the roof leaking and the collection. If you remember that, just order this .
