God As Poet Of The World: Exploring Process Theologies

Synopsis

Process theology has been a major theological innovation of the last hundred years, and its influence on American theology has been pervasive. But process thought is far from being simply an American phenomenon. Throughout the last few decades, some of the most exciting work in process theology has been undertaken in Asia and Europe. Now that process theology is a truly international movement, all theologians need to reconsider this school of thought. In this book, world-recognized expert in process thought Roland Faber presents a systematic exploration of process theology's roots and development, its chief concerns and concepts, and its opportunities for new contributions to today's theological scene. This book is a superb resource for those who want to know more about this important theological movement.

Book Information

Paperback: 376 pages

Publisher: Westminster John Knox Press (October 17, 2008)

Language: English

ISBN-10: 0664230768

ISBN-13: 978-0664230760

Product Dimensions: 6 x 0.8 x 9 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)

Customer Reviews

Roland Faber is Professor of Process Theology at Claremont School of Theology in Claremont, California.

Quick Review: This is a fine starting point for an understanding of Process Theology. It begins with essays by leading process thinkers, showing how wide the scope of this discipline is. Then, after a further discussion of the dimensions of process thought, it has detailed chapters regarding God, God's relation to the world and some of the wider implications of process thought. This book is extremely well-researched and at times the text is dense with a vast array of references; hence its utility as a starting point. That being said, it might be helpful to have some familiarity with

Whitehead's terminology before reading. There is also a copious bibliography that is very helpful if you want to follow any of the many directions in which this revolutionary manner of thinking may lead.

THIS IS PROBABLY THE BEST THEOLOGY TEXT I AVE EVER TRIED TO READ. I AM STILL AT IT . THERE ARE MUCH SIMPLER EXPLANATIONS OF PROCESS THEOLOGY OUT THERE, BUT IF YOU WANT A COMPLETE AND COMPREHENSIVE OVERVIEW OF MODERN LIBERAL PROTESTANT THINKING, THIS IS DEFINITELY IT. UNDERSTAND THIS IS WRITTEN FOR GRADUATE STUDENTS, SO YOU MIGHT BE SPENDING A LOT OF TIME WITH AN OVER-SIZED DICTIONARY.
