Documentaries: And How To Make Them

Synopsis

Currently one of the most popular film and TV genres due to the success of Michael Moore, *Supersize Me*, and *March of the Penguins*, documentaries and the process of creating them are subjected to scrutiny in this guide, which comes with a bonus DVD featuring three award-winning documentaries discussed as case studies. Fans of the genre will enjoy a history of the art form and interviews with industry insiders and award-winning filmmakers who contribute their tips, tricks, and advice. Aspiring filmmakers will find advice covering the whole production process—from developing a concept to marketing and distribution. Details on the full range of current film festivals are also included.
