Item arrived quickly but the paintings are a lot smaller than I had expected them to be. The paper to paint on is plain paper so I'm not sure how well it will hold up to the actual painting of it; because the paper is thin compared to the thicker paper made for watercolor.

beautiful pictures with specific skills to learn and practice on. This was not a complete set. It did not

come in a box and it did not include the paints. But the lessons and various pictures were worth every cent

I first saw this calendar in a store, but didn't buy it and regretted it. Thank you, for carrying it! I'm looking forward to Jan.1, to try my first painting!

I bought this for the drawings. I have just started watercolor painting and it has given me good templates for practice

I like this product because I own three others. the product was sent on time and in good shape. It was very satisfactory.

Lots of fun for the artistic doodler too. Save the daily pages for the visiting kids. Don't be shy of your inner child!

My wife asked for this and will use it in the days ahead. A great present that will keep giving all year.

A painting a day for a year. Lots of fun and helps to fill those dull moments of sheer boredom.
