Customer Reviews

Charles Preston is one of the nation's top crossword puzzle experts. He has compiled over 100 puzzle books and his work appears in leading newspapers and magazines, including The Washington Post and Newsday. His daily puzzle in USA Today challenges millions of readers.

I returned this book because of the print and paper used. The print was not crisp and the newsprint-like paper unappealing. I also thought it was extremely high priced in comparison to other acrostic books.
