World Religions: Eastern Traditions

Synopsis

Featuring work from expert contributors, *World Religions: Eastern Traditions, Fourth Edition*, provides students with an authoritative examination of Hinduism, Sikhism, Jainism, Buddhism, and Chinese, Korean, and Japanese religions. Accessible and engaging, this acclaimed text explores the origins, central teachings, divisions and branches, rituals and practices, influences on culture, and responses to modern challenges for each tradition.

FEATURES*

- New chapter structures better reflect the uniqueness of each tradition
- A new "Recent Developments" section for every tradition provides more focus on contemporary issues
- A revised and updated "Current Issues" chapter better tackles key challenges facing Eastern traditions today
- Additional coverage of the role of women offers students a more inclusive overview of each tradition
- Dynamic pedagogical features including "Traditions at a Glance," "Document," "Focus," and "Sites" boxes, bolded key terms, maps, photographs, timelines, sites, text extracts, and further reading lists help bring each tradition to life for students
- New learning tools including chapter outlines, chapter summaries, discussion questions, and "Sacred Text" tables make difficult topics easier for students to understand
- An exceptional support package includes a Companion Website at www.oupcanada.com/Oxtoby, an Instructor's Manual, a Test Generator, PowerPoint-based slides, a Student Study Guide, and more

Ideal for courses in Asian religions and comparative religions, *World Religions: Eastern Traditions, Fourth Edition*, combines a historically descriptive perspective with a spirit of sympathetic fascination.

Customer Reviews

"Each section of the book is written by an expert in that field - the accuracy and scholarly quality of this approach is far better than a single-authored text." -Richard Mann, Carleton University
"This book is the best one I have seen for teaching Eastern religions. What sets it apart is its visual appeal, comprehensiveness, and organization." -Justine Noel, Camosun College

The late Willard G. Oxtoby, the original editor of this text, was Professor Emeritus at the University of Toronto. Roy C. Amore is Professor and an Associate Dean in the Faculty of Arts and Social Sciences at the University of Windsor. Amir Hussain is Professor in the Department of Theological Studies at Loyola Marymount University.

Great book, but I must express my deepest irritation. When advertising the book, at no point is it mentioned that one HAS to be lecturing or will prescribe the books in order to access the instructor material. I have bought four books from Oxford Publishing thinking that I'd be able to access the material easily.- An Anthology of World Religions- World Religions: Western Traditions- World Religions: Eastern Traditions- A Concise Introduction to World ReligionsI teach at a school , am involved in adult education and lecture occasionally at a College. And yet, I don't have access to the Instructor material because I haven't prescribed the book. If I had known this before, I would not have purchased these four books. There are others that are just as good that are far cheaper in price. The way the book is promoted on here is false and unethical.

Great quality! Exactly what I needed for my class. Thanks!

Required for a university class I'm taking.

Really great book on world religions. Each section is written by an expert in their field. Just a stellar book.

Received in good order.

Definitely beneficial for the class! It is an easy read.
