The Works Of Jean-Jacques Rousseau: The Social Contract, Confessions, Emile, And Other Essays (Halcyon Classics)

Synopsis

This collection of Enlightenment Philosopher Jean-Jacques Rousseau includes his most influential works: THE SOCIAL CONTRACT, CONFESSIONS, EMILE, and includes several other essays of interest: A DISCOURSE ON POLITICAL ECONOMY, INEQUALITY AMONG MEN, CONSIDERATIONS FOR THE GOVERNMENT OF POLAND, and A CONSTITUTIONAL PROJECT FOR CORSICA. Rousseau was a major Swiss philosopher, writer, and composer of the eighteenth-century Enlightenment, whose political philosophy influenced the French Revolution and the development of modern political and educational thought. This ebook is DRM free and includes an active table of contents.

Customer Reviews

It seems to be from old time, and only history. But that is not the case total. It is history because it was the foundation for the development in Europe after the revolution 1789. Not so many

knows, that Napoleon made many reforms for France "Code Civil, Department, Reform schools, tax of people mm) which were on the idea from Rousseau. The reforms were later spread out to Europa. But the point is now, the problems in Europa in 2016 which will continue come up because the fundamental rules from Rousseau - and others - are violated with the EU union.

Fundamental reading on government and power - people and how they relate to government.

Good

I love this on my Kindle! Thanks!

I bought this on the recommendation of my professor when I took a class on the age of Enlightenment. I am working on an MA in European History. This book was a helpful addition to the required texts for the course giving me additional insight into one of the main Philosophes of the age.

The book's text is not searchable. I wish they'd warn customers about that before making the purchase. It's the only reason I bought the Confessions.

If today's politicians read and understood these foundational principles, we would cease to see them misunderstanding the basis of our Constitution and the reason for the need of a sound liberal arts college education.

good book
