Adult Coloring Book - Whimsical Dreams: Color Up A Fantasy, Magic Characters. All Ages. 50 Different Images Printed On Single-sided Pages

Synopsis

From the Author: In this coloring book you will find lots of unique, whimsical characters from a gentle world of fantasy. There are 50 different images to color. Creating a character is a long creative process. Once an idea has formed in my mind I begin sketching, until I have a clear image that I am happy with and want to paint. Once this is complete I finish the final drawing with clean lines, sometimes using traditional pencil, and sometimes digital pencil. Creating so many characters for this book was a long process, but so much fun. I hope you enjoy coloring it as much as I enjoyed creating it. -50 Different Images printed on single-sided pages

I usually only ordered books by three artists, and I tried this and omg loved it. really like there was not any double pages like one other artist does. I love this book a lot and believe it's on the list of great artist. I will say this artist is in my top three and I am looking forward to doing more books from this artist. I hope she does another one soon. Great work...
