Customer Reviews

This is an amazing series pertaining to the lives of the Amish community. Each of the stories contained a complete message on a the lives of the Amish people and how they handled an situation. I was amazed by the author insight and details on each story. I found it hard to put the book down and looked forward to the next book in the series. One of the best Amish family stories I have had the privilege to read. Good Christian reading and guidance to others. Thank you.

You have captured much of my reason time. I am a retired Baptist minister who loves to read and I admire the Amish faith. I have learned much about the Amish faith thru those of you who write about them. It reminds me that all Jesus believers should be. Thank you for you creativity.

No matter what life brings for each of us, love will survive the circumstances if we allow it. God wants the best life for us if we only believe.

This is my second time, reading this clean book. Without doubt I will read it again, I am sure. Thanks so kindly!

I am still reading on them but so far they are wonderful books. I have told other women about them.

I received all of these books. The stories were all almost the same. Each book had a lot of short stories and duplicated in each book.

Loved the stories of the strong faith in God. The dedication to their work and faith. I receive inspiration and blessings

Very good and wholesome
