Summary And Analysis Of The Slight Edge: Turning Simple Disciplines Into Massive Success And Happiness By Jeff Olson

The Slight Edge:
Summary and
Analysis of The
Slight Edge:Turning
Simple Disciplines
into Massive Success
and Happiness by
Jeff Olson

Summary Station

Synopsis

Learn About the Slight Edge That Will Bring Success and Happiness into Your Life in a Fraction of the Time It Takes to Read the Actual Book! In the first chapter, Jeff Olson introduces his readers to the idea that every single person on this planet has the potential to turn either into a poor, unsuccessful beach bum or into a successful entrepreneur with a huge balance in his bank account. He tells his own story - about how he went from failure to success to another failure, how he slowly learned that failure and success both happen for the same reason, and that this one single reason can work either for or against you, depending on how you use it. Listeners are motivated by listening on because they would like to know more about the idea that people have complete control over the directions their lives are taking. Here is a preview of what you'll learn when you download your copy today: How successful people do things differently The reason why small actions produce the biggest rewards How to incorporate self-discipline into your life Download your copy today!

Best Sellers Rank: #16 in Books > Audible Audiobooks > Nonfiction > Study Aids #20 in Books > Audible Audiobooks > Fiction & Literature > Literary Criticism #30 in Books > Literature & Fiction > History & Criticism > Books & Reading > General

Customer Reviews

I read a lot and many concepts can overlap. Sometimes I just need a refresher of the primary points, not 300 pages of rhetoric. This book does just that and does it very well.

It is beneficial to most busy readers to be able to grasp an author's idea via a well composed synopsis. This summary succeeds.

A very good description of the material covered in the book. It tells the whole story without the fluff

and fill. Well worth the money.

I am enjoying this book. It is not quite as good as Gary Kellor's "the One Thing" but it is good and has great illustrations. It is totally worth the read.

After reading a number that of reviews of The The Slight Edge that said it was stretched to fill a book, I decided to read this summary. Very helpful.

If your in Network Marketing you need this book.

Great along with the video

I wanted to read the entire book but knew I would get bored or not make the time...but this summary in my opinion was great. The book is really interesting. Get it. And then do it!
