Wonderful stories of the suffering that porn addiction brings into the lives of individuals and how it can devastate the partner as well. Thank God each of these stories also reveals the hope that comes from working through the addiction to freedom and a strengthened relationship with God and deepened appreciation for one another. Highly recommend to anyone who may be suffering from this situation.

Very helpful book!

This book was exactly what I needed. It provided insight and comfort. And, it helped me to find healing and hope when I was experiencing my deepest pain. I am so grateful for this book.

I purchased for a dear friend. A must read for a troubling generation.

For anyone dealing with the pain of porn, this timely book is a must. I was encouraged in my own trial and also challenged to truly work toward recovery.

Very good book with stories from many couples dealing with a pornography addiction in their relationships. I would recommend to my friends both male and female

I could have written some of these stories. Thank you to the courageous women who chose to share their story so that others don't feel so alone.

For someone who isn't married yet, it helped me open my eyes to what men or women go through when they are addicted to porn.
