Gleanings In Joshua (Arthur Pink Collection Book 28)

Synopsis

DESCRIPTIONThe book of Joshua records one of the most interesting and important portions of Israel's history. It treats of the period of their estatement as a nation, of which Genesis was prophetic and the rest of the Pentateuch immediately preparatory. The books of Moses would be imperfect without this one: as it is the capstone of them, so it is the foundation of those which follow. Omit Joshua and there is a gap left in the sacred history which nothing could supply. Without it what precedes would be incomprehensible and what follows unexplained. The sacred writer was directed to fill that gap by narrating the conquest and apportionment of the promised land. Thus this book may be contemplated from two distinct but closely related standpoints: first as the end of Israel's trials and wanderings in the wilderness, and second as the beginning of their new life in the land. It is that twofold viewpoint which supplies the clue to its spiritual interpretation, as it alone solves the problem which so many have found puzzling in this book.

CONTENTS

19. The Levitical Cities
20. Demobilization
21. Farewell at Shiloh
22. Valedictory
23. In Memoriam
24. Other Books

AUTHORArthur W. Pink was born in Nottingham England in 1886, and born again of the Spirit of God in 1908 at the age of 22. He studied at Moody Bible Institute in Chicago, USA, for only six weeks before beginning his pastoral work in Colorado. From there he pastored churches in California, Kentucky, and South Carolina, before moving to Sydney Australia for a brief period, preaching and teaching. In 1934, at 48 years old, he returned to his native England. He took permanent residence in Lewis, Scotland, in 1940, remaining there 12 years until his death at age 66 in 1952.

Customer Reviews

love it

Awesome book - Awesome seller!

I started studying Joshua with a kind of dread, Pink applies the wonderful stories to our lives today! He provides a wonderful look into what the Bible has to teach us about our walk, that applies in every age.

This was a difficult study. Not one of Pink's best. He preached a lot and his teaching wasn't as easy to follow as some others

Difficult to follow. Was expecting something other than authors analysis.

This is one of the best study books I have ever read. It is so rich in information that I would read for a while, then have to stop to think about what I was learning in this great study book. I highly recommend it.

There were many good thoughts, helps for understanding the book, but had to read lengthy paragraphs to gain the inspirational ideas.

This is an excellent book that takes an ancient account of God's dealings with his chosen people, and brings applications for today's world. The insights are thought-provoking and challenge the reader to a deeper commitment to God.
