MEGAN MASSACRE is a tattoo artist, model, and reality TV star of TLC's *NY Ink* and tattoo cover-up series *America's Worst Tattoos*. Best known for her incredible attention to detail and vibrant use of color, Megan's artwork has been exhibited at galleries both inside and outside of the tattoo world. Megan resides in New York, where she is a partner at Grit N Glory, the city's first rock n roll lifestyle boutique and tattoo studio. She enjoys traveling the world and hiking, and she is always aspiring to find that new, great challenge. This is her first adult coloring book.

Love this book. My whole family is sitting around the dining room table coloring different pictures.

If you like her tattoos, you should love this coloring book. Great pictures and designs. Very nice, smooth, heavy paper that should be able to take any kind of markers or pens. I've used gel pens

and colored pencils so far on it and both looked great. And last but not least, the pages are perforated. I like taking pages out of book to color on a flatter surface, and the perforations make that easy. Definitely my favorite of our coloring book collection!

I'm absolutely in love with this book! Fast shipping great quality.... I just wish coloring books would come Spiral bound!!! I went and had Office Depot spiral bound & it made this book that much better!!

It's not something I'm used to coloring in, but I love it. I love Megan's work, I love her art, and I love how it pulls me out of what I'm used to coloring in. My best friend and sister wants one as well, and I can't wait for them to join in on the fun!!!!!!!

I love Megan massacre and have watched her since the start. She does amazing work. This coloring book is a awesome stress reducer and anxiety shifter. The pictures are bold and made for your imagination to run wild.

Very nice..I liked it....wasn't exactly what I thought it would be but that's what you get when you order stuff...

Awesome product

Book is very well made. Sturdy pages, like card stock with tear away line. Designs are classic tat style and beautiful. Easily has become my favorite coloring book.
