Instrument Rating Test Prep 2017 Book And Tutorial Software Bundle: Study & Prepare: Pass Your Test And Know What Is Essential To Become A Safe, ... In Aviation Training (Test Prep Series)

Synopsis

Trade Paperback + Software Download version: Trade paperback book comes with code to download Prepware software from ASA's website. Pilot license candidates studying for the Instrument Rating, Instrument Flight Instruction, and Foreign Pilot Knowledge Exams will find samples of every question in the Federal Aviation Administration exam database along with their answers and explanations, in this guide. The more than 900 questions from these exams are arranged by subject category, with each section prefaced by text introducing the subject matter and accompanied by specific study material. Each question is followed by the answer, an explanation of the answer, and a Learning Statement Code for further study in FAA materials. Updates are provided to account for FAA test-question changes throughout the publication year via the ASA website or e-mail. Meteorology, flight and navigational instruments, instrument flight rules and procedures, arrivals and approaches, and review computations are among the subjects covered. Includes softcover book and computer testing supplement.

Customer Reviews

ASA Test Prep Board includes editors Jackie Spanitz, Charles L. Robertson, Cliff Seretan, and Paul Hamilton. Jackie Spanitz is the director of curriculum development at Aviation Supplies & Academics, Inc., and the author of several books, including Guide to the Flight Review. Charles L. Robertson is an associate professor of aerospace at the University of North Dakota. Cliff Seretan

holds a Commercial Certificate with an Instrument Rating for Single- and Multi-Engine Land Airplanes and CFI for Airplane Land and Instrument. Paul Hamilton is a sport pilot and light-sport aircraft expert, a flight instructor, and the owner of Adventure Productions Co. For the ASA Test Prep Series, all editors listed are consulted for new material for the Series. In the case of the "Visualized Flight Maneuvers Handbooks," Jackie Spanitz is the only editor who contributes to these.

Great product. Be sure you get the software too. The ability to create custom study exams really helped with the areas I needed the most help on. The final five practice exams I took had scores ranging from 80-90. I took the actual written and made an 88. Well worth the investment.

Excellent
